

Thursday 16th November

Dear Parents/Carers

My name is Zara Abbas, and I am the SENDCO at Eden Boys Leadership Academy, Birmingham East. I am writing to invite you to an **Open Morning on Tuesday 21st November 2023 from 9am until 11am.** This has been arranged as your son has been recognised as having SEND needs that can fall into one or more of the following categories as recognised in the SEND code of practice:

- Cognition and Learning (C&L)
- Speech, Language, and Communication (SLCN)
- Attention and Executive Functioning (AEF)
- Physical, Sensory and Mobility (PSM)
- Social, Emotional, and Mental Health (SEMH)

During the open morning I have invited professionals from outside agencies that work with our school to support and assess pupils. They will give a presentation about the services they provide and how best to support your son in school and beyond.

The professionals in attendance will be:

- Zoe Atzori: Communication & Autism Team
- Anne Farmer: Pupil School Support
- Elizabeth Kelly: Speech and Language Therapist

Please arrive at 8.50am for a 9am start.

I look forward to meeting you and discussing support to ensure your son reaches his potential with his learning and beyond.

Please do not hesitate to contact me if you have any questions.

Zara Abbas

SENDCO
