

Dear Parent/Guardian,

Assalaamu Alaikum – ‘Peace be upon you’

RE: Year 11 Intervention Sessions – Revised sessions

Year 11 students have started the most challenging year of their education so far; as you are aware, in just a few months, they will be sitting their GCSE examinations in a range of subjects. Good qualifications will ensure that students have the best chances to succeed in life after school, whether this is at further or higher education, training or employment. As part of our drive to ensure that students achieve their very best in all examinations, we are running a number of intervention sessions every weekday; these sessions are a fantastic opportunity to support your child in achieving his personal best.

In addition, we are also running Saturday tuition in English and Mathematics – these sessions will be provided by an external company and spaces are limited; you have received a separate letter for Saturday Tuition if your child has been selected to attend. The arrangements for Saturday tuition remain unchanged.

However, following the completion of the Year 11 mock exams, we had to make some changes on our intervention schedule to support your child’s academic achievement. The revised schedule is at the back of this letter. Please note:

- All students will attend intervention from 3 to 4 pm every day.
- Only selected students will attend intervention from 4 to 5. These students will be informed next week via Class Charts (please log into Class Charts and check your notifications).

Please ensure that your son attends all intervention sessions on this schedule; if your child has an afterschool appointment, please ensure it does not affect his ability to attend intervention sessions.

In the unlikely event of a cancellation, you will be notified via text message.

Kind regards

Miss K. Tzoganakou

Vice Principal
