

3 Ramadan 1445/ 15th March 2024

Dear Parent/Guardian,

Assalaamu Alaikum – ‘Peace be upon you’

RE: Year 11 Masterclasses during the Spring Break

Year 11 students have started the most challenging year of their education so far; as you are aware, in just a few months, they will be sitting their GCSE examinations in a range of subjects. Good qualifications will ensure that students have the best chances to succeed in life after school, whether this is at further or higher education, training or employment. As part of our drive to ensure that students achieve their very best in all examinations, we are running a number of masterclasses during the half term break for all students in Year 11; these sessions are a fantastic opportunity to support your child in achieving his personal best.

Masterclasses will take place from Monday 25th March until Friday 5th April; they will start at 10am and finish at 3:30pm.

The schedule at the back of this letter shows the dates and times of all the masterclasses your son is expected to attend. For these masterclasses, your son is expected to:

- Arrive in school no later than 10:00am every day.
- Have the correct equipment for the masterclasses taking place on the day.
- Demonstrate excellent conduct and attitude to learning during these sessions.
- Refreshments will be available for students, should they wish.

Please ensure that you have arrangements in place for your son to return home at the end of each day (15:30).

Please note:

- RE session on Tuesday 26th March will be delivered by an external visitor, with a track record of delivering excellent outcomes for students.
- On Wednesday 3rd April:
 - Only students who study Geography need to attend. This session will take place at Eden Perry Barr. We request that parents arrange to drop off/collect their son from Eden Boys’ Perry Barr school.
 - The session will focus on Paper 3 case study; this study will be made available on 22nd March to staff so this will be the first opportunity for students to prepare for their case study.
 - Attendance to this session is essential – students will have very little time after the Spring break to revisit Paper 3.
- On Thursday 4th April and Friday 5th April, both History and Geography masterclasses are delivered by external teachers. Geography is delivered by the person who has produced textbooks for the course and has years of experience in securing outcomes for the students.
- Students required to attend the iMedia, Computer Science and Sport Science Sessions will be informed by Tuesday 19th March.

With only a few weeks to the formal GCSE examinations, attendance to all sessions is a must. Students need to make the most of these excellent opportunities. In the unlikely event that we have to cancel a masterclass, we will contact you via a text message.

Kind Regards

Miss K Tzoganakou

SPRING BREAK REVISION TIMETABLE
